Make Your Research Visible

DESY Publication Database (PubDB)

- High ranking on search engines
- Up-to-date publication listing
  - Including „Vita publications“
- Open-Access-Fulltexts available
  - For journals: DESY already has more than 50% Open Access percentage

- For EU funded research:
  - ARTICLE 29 — DISSEMINATION OF RESULTS — OPEN ACCESS — VISIBILITY OF EU FUNDING requires open access via a repository within 6 month of publication
  - PubDB automatically registers publications at OpenAire
  - Private sharing within your group is possible and encouraged
  - Export formats for easy (re)-use of metadata (BibTeX, Ris, EndNote, …)
• Export formats for easy (re)-use of metadata (BibTeX, Ris, EndNote, …)
You are unique.
Get an ORCID and connect your research with your name

• ORCID is short for **Open Researcher and Contributor ID**
• ORCID.ORG is a non-profit organization, transparent, open and non-proprietary
• Unique identifier for researchers, which connects those contributing to the scientific work process with their publications, research data and other products of the research process (such as software)
  • Assigns a transparent, unique, *persistent* digital identifier to **your** research results (Author profile)
• International, multidisiplinary, defacto standard
• Your privacy is protected
• Register free of charge in 30s at [http://orcid.org/register](http://orcid.org/register) ...
  and **mail your ORCID to l.pubdb@desy.de**
• **Web of Science, Crossref, Scopus, PubMed, use ORCIDs**

Working for DESY: **Inhouse-Research**, even when now “Extern” (Select “DESY”)

**LKI (Inhouse Research):**
- Photon Science:
  - POF3-6211 – POF3-6215 Research Topics

**LKII (Userservice):**
- POF3-6G2 – FLASH
- POF3-6G3 – PETRA III
- POF3-6G13 – XFEL

**No POF:**
- POF3-899 ohne Topic

**Thumbrules:**
- DESY-Author: **LKI** (no 6G* 1st entry)
- Beamline: add **LKII** as 2nd entry (6G*)
- POF3-899 ohne Topic only in exceptions
- Only external authors (check carefully):
  - Userservice: **LKII no LKI**
Experiments:
- Facilities (R&D)
- Beamlines (DORIS / PETRA / FLASH)
- Experiments (z.B. LHC: ATLAS)
- Measurement at external facility (für all external measurements)
- No specific instrument (Theory or experiment can be assigned)

Journal Publications

Publish or Perish

- **You must ask for permission before submitting to a journal**
  (DESY Publication rules: Link at [http://library.desy.de/publicationsdesy/](http://library.desy.de/publicationsdesy/))
- The DESY Directorate asks all scientists to preferable publish in **Open Access Journals** ([http://library.desy.de/open_access/](http://library.desy.de/open_access/))
- Publications in hybrid journals are not encouraged
- For subscription journals (Closed access)
  - Do not simply sign the copyright transfer agreement!
  - Make sure to keep your rights for your own figures, pictures, … by using a CC-BY license.
    State this explicitly in your paper: „All figures, … by the author under a CC BY license”
  - Elsevier has a „short license agreement“ that they provide on request (contact oxfordcopyrights@elsevier.com or the library l.publishing@desy.de)
  - Use your right to make your own version(s) e.g. the „Post-referee version“ publicly available in the publication database
  - See also [http://library.desy.de/publicationsdesy/recommendations/faq/](http://library.desy.de/publicationsdesy/recommendations/faq/)
- **Submit your publication to the DESY publication database** ([http://pubdb.desy.de](http://pubdb.desy.de)) including fulltexts (your own for the public and the publisher version for internal use only)
