

# Publish @ DESY

## DESY Libraries

If I have seen further it  
is by standing on the  
shoulders of giants.

More Information from the library:  
[i.publishing@desy.de](mailto:i.publishing@desy.de)

DESY is an (Open Access) publisher since 2001 and has the right to assign ISB-Numbers (ISBN)

## > Red Report (Preprint), Thesis

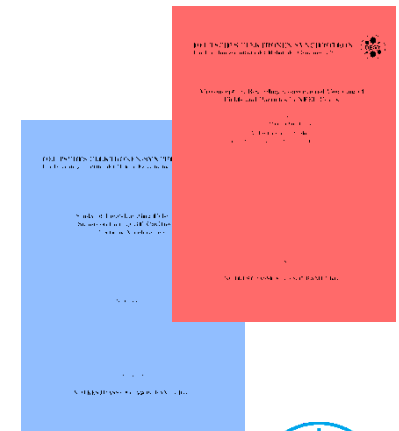

1. Contact the library [l.publishing@desy.de](mailto:l.publishing@desy.de) for the corresponding number
2. Fill out and send permission form (See <http://library.desy.de/publicationsdesy/>)
3. Submit fulltext to the DESY publication database (<http://pubdb.desy.de>) and to <http://arXiv.org>
4. Use a [CC-BY](#) license for best re-usability (NOT CC-BY-NC!) if possible  
Questions: [l.publishing@desy.de](mailto:l.publishing@desy.de)

## → Open Access Publication

- You can additionally submit your publication to a journal

## > Books, Proceedings

- Contact the library [l.publishing@desy.de](mailto:l.publishing@desy.de)

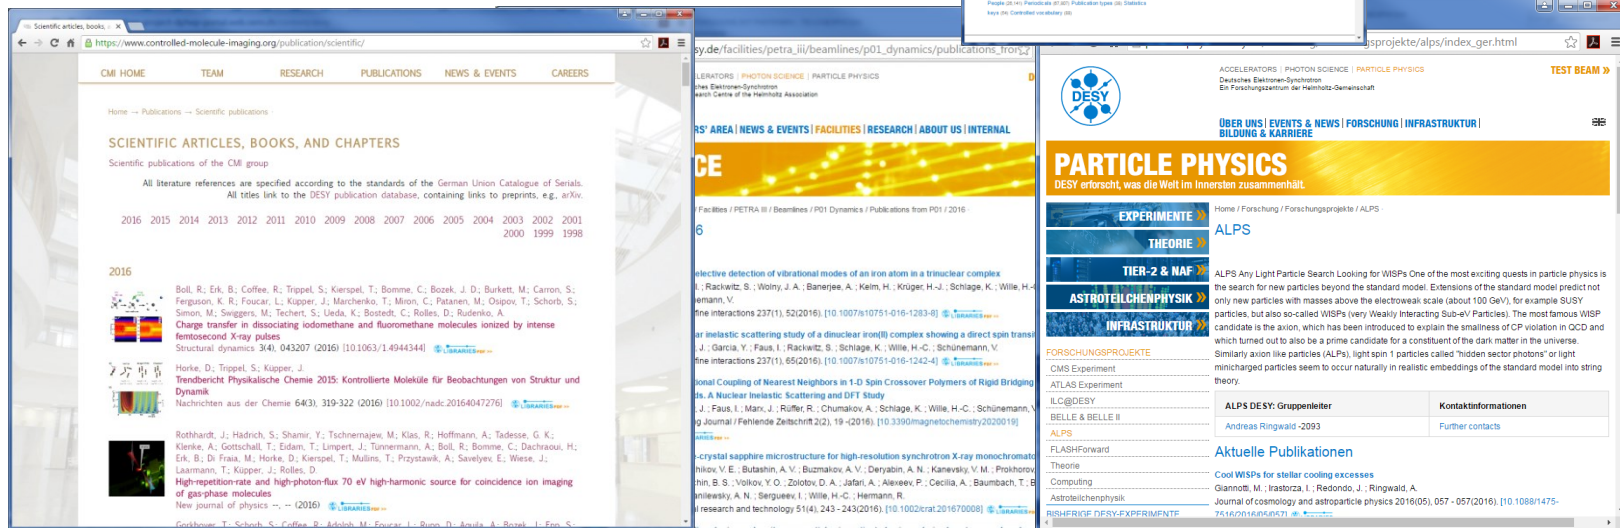

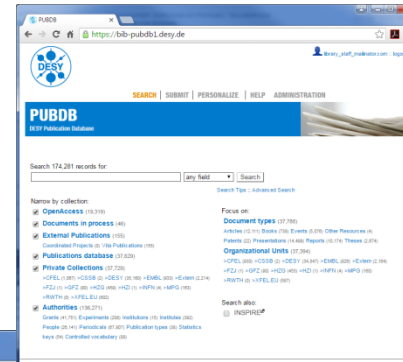

- > **You must ask for permission *before* submitting to a journal**  
(DESY Publication rules: Link at <http://library.desy.de/publicationsdesy/>)
- > The DESY Directorate asks all scientists to preferably publish in **Open Access Journals** ([http://library.desy.de/open\\_access/](http://library.desy.de/open_access/))
- > Open Access Publications in hybrid journals are not encouraged
- > For subscription journals (Closed access)
  - **Do not simply sign the copyright transfer agreement !**
  - **Make sure to keep your rights for your own figures, pictures, ... by using a CC-BY license.**  
**State this explicitly in your paper: „All figures, ... by the author under a [CC BY](#) license”**
  - Elsevier has a „short license agreement“ that they provide on request  
(contact [oxfordcopyrights@elsevier.com](mailto:oxfordcopyrights@elsevier.com) or the library [l.publishing@desy.de](mailto:l.publishing@desy.de))
  - Use your right to make your own version(s) e.g. the „Post-referee version“ publicly available in the publication database
- > **Submit your publication to the DESY publication database**  
**(<http://pubdb.desy.de>) including fulltexts (your own for the public and the publisher version for internal use only)**

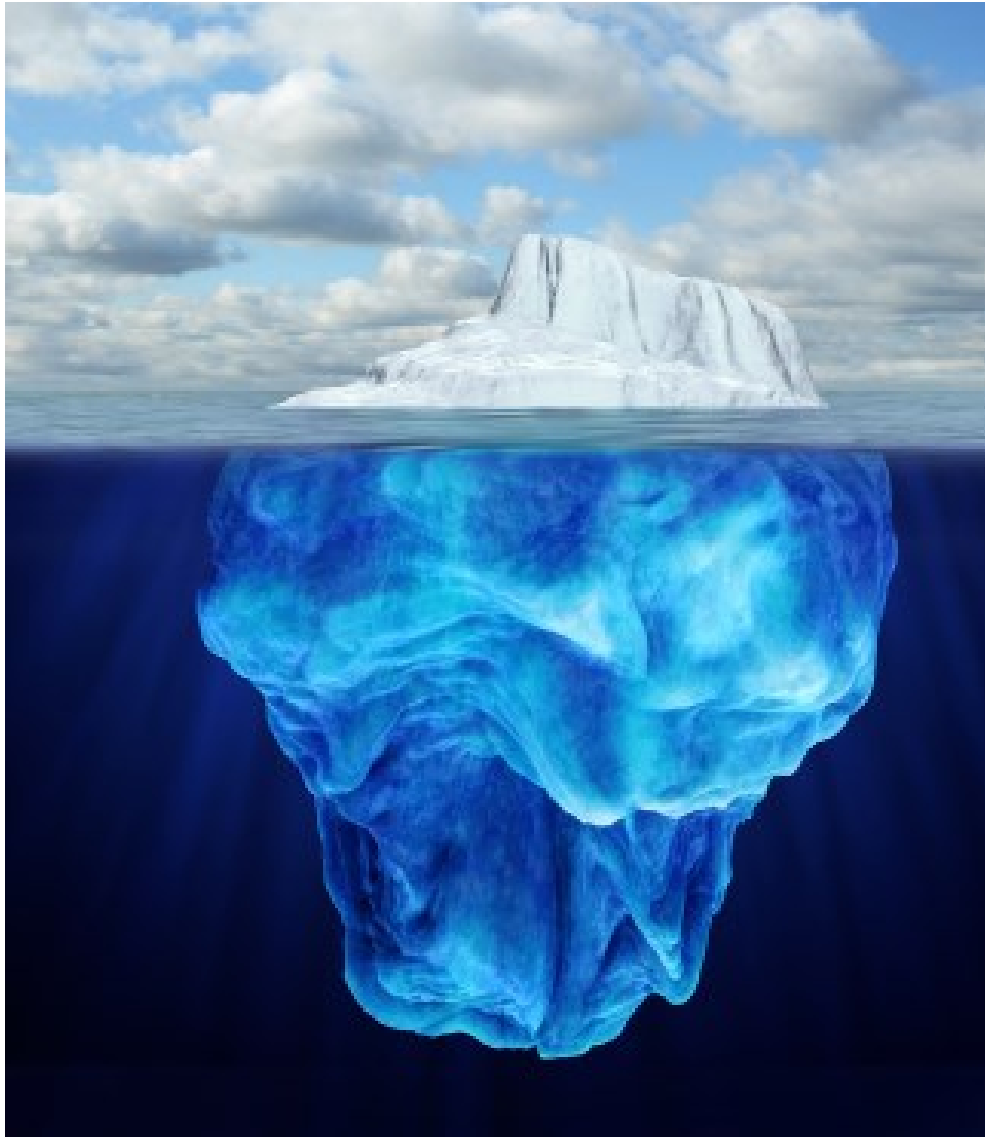

Preserve your scientific research output and make it visible

## DESY Publication Database (PUBDB <http://pubdb.desy.de>)

- OpenAire Validated
- Indexed in Base
- ORCID for authors
- HGF Reporting
- Plug-In for web pages

- Part of JOIN<sup>2</sup>, a collaboration of DESY, DKFZ, FZJ, GSI, MLZ, RWTH (<http://join2.de>)

Do not hesitate to contact the library for further information or in case of questions
