HELMHOLTZ SPITZENFORSCHUNG FÜR
GROSSE HERAUSFORDERUNGEN

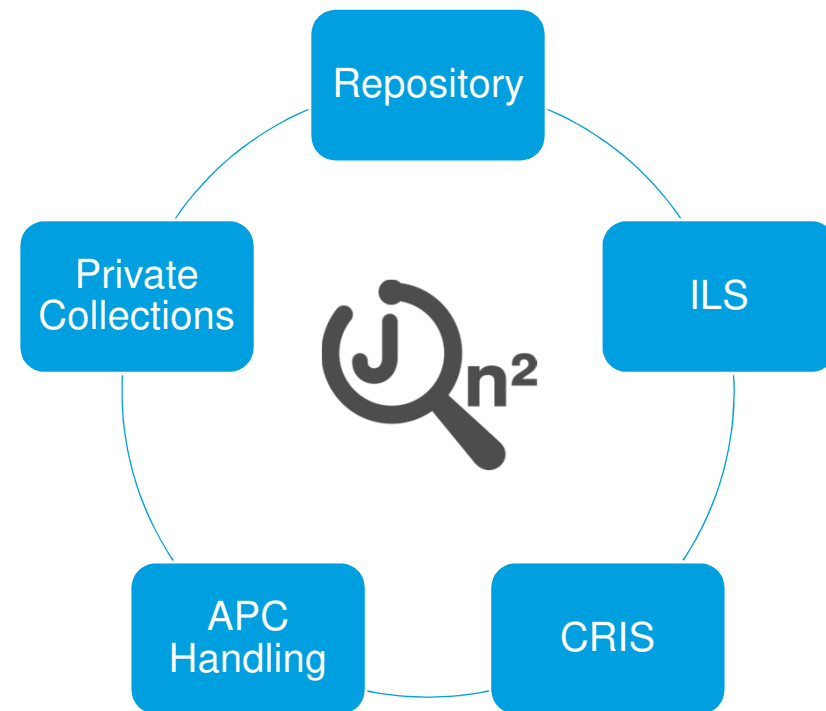

JOIN² - Just anOther INvenio INstance

A shared repository infrastructure

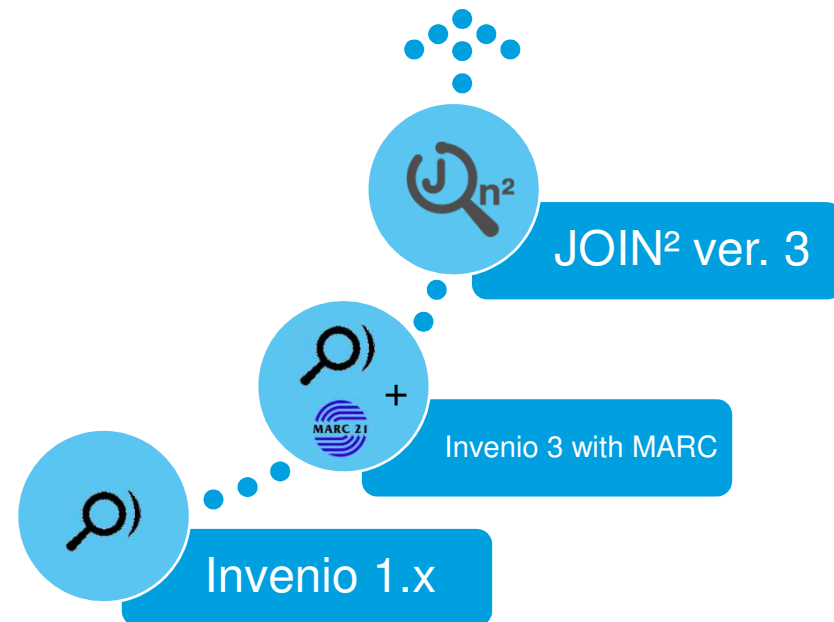

- 8 Partners
- > 20.000 staff members
- > 5.000 visitors/a
- > 300.000 records
- > 90.000 high quality authority records

MARC 21

Rich format made for exchange & resuablility

- Broad knowledge base/expertise by librarians
- Authority based records (**shared**)
 - ✓ People
 - ✓ **Grants, experiments, facilities, affiliations, funding information**
 - ✓ **Journal records**
- MARC Holding
 - ✓ Library catalogue
 - ✓ APC information
- Excellent data quality
 - Model highly complex scenarios

Call for Participation

MARC 21 flavor model in INVENIO 3

Agreement

- Interested parties & **CERN**
- Roles and responsibilities

Workpackages

- Co-ordination
- Deliverables, Work packages, ...

INVENIO + MARC 21

- First class citizen
- Base for Repo/ILS/CRIS/APC

Thank You

**Please contact us at library@desy.de,
if you are interested in joining our efforts to
establish first an INVENIO 3 MARC 21 flavor and
later a full INVENIO 3 JOIN² flavor.**
